Hospitals

Id	2
Name	Valley Baptist Hospital-Brownsville
Description	Valley Baptist-Brownsville has 243 beds at its main campus at Central Blvd. and West Jefferson, making it the largest hospital in Brownsville. In 2007, Valley Baptist-Brownsville expanded beyond its main hospital campus by opening a separate campus in East Brownsville, which includes Brownsville's first inpatient behavioral health facility (with 37 additional beds), and an outpatient mental health program for senior adults. offers new state-of-the-art Cardiac Catheterization Laboratories, to serve Valley patients who need heart catheterization procedures, peripheral (leg) angiograms, and implantable pacemakers. Offers new state-of-the-art robotic surgery with credentialed staff on site. The more precise surgery with Valley Baptist's da Vinci 'Si' roboticsystem means smaller incisions.
